## ITS Activity / Planning Form

<b>Current ITS Activities</b>	Brief description, stakeholders involved, deployment timeframe...
	None
<b>Planned ITS Activities</b> (next 5 years)	Brief description, stakeholders involved, deployment timeframe...
	The city is planning some intersection improvement projects during the next 5 years which might possibly include some new signals and pedestrian crossings. If so, they might look at adding some fiber optic interconnect between signalized intersections.
	Brief description, stakeholders involved, deployment timeframe...
	Brief description, stakeholders involved, deployment timeframe...
