Second Nixa Trail Study Open House, 5/24/18

The Ozarks Transportation Organization has scheduled our second open house event for the Nixa Trail Study. Our consultant, Alta Planning and Design, has taken the public input received at the first open house to develop proposed trail corridors. We are excited by the opportunity to share these corridors with the Nixa community and to gather their feedback. Based on the community's input, the proposed corridors will be revised before the study's completion. The meeting will be held from 4:30-6:30 pm at the *X Center* at 701 N. Taylor Way in Nixa. Additional meeting information will be released as the meeting approaches.

Meeting Information

Community Open House
Thursday, May 24th
4:30-6:30 PM
X Center, 701 N. Taylor Way, Nixa

Alta is a nationally recognized planning and design firm, specializing in active transportation. They seek to create communities where bicycling and walking are safe, healthy, fun, and normal daily activities. They have been involved with notable projects such as the Razorback Greenway in Northwest Arkansas and the Seattle Bicycle Master Plan Update in Seattle, Washington. Alta recently completed the Trail Investment Study for the Ozarks Transportation Organization.
