The Ozarks Transportation Organization is hosting a Legislative Breakfast on Thursday, October 25, 2018. The breakfast will be held at Touch Restaurant beginning at 7:30 am.

At the breakfast key issues that impact many of our local jurisdictions will be highlighted. Included, but not limited to, a review of upcoming projects, our top transportation needs, and the OTO's 2019 Legislative Priorities.

The Ozarks Transportation Organization is your Springfield-regional Metropolitan Planning Organization, or MPO. The MPO is a body of elected and appointed members who work together with local, state and federal officials and policy-makers, serving to make funding and planning decisions for transportation within the Southwest region.
