- E. All published data and/or reports may be released to individuals or agencies. Participating jurisdictions and agencies shall follow their own procedures when requests are made for their own data.
- F. Transportation planning activities are prioritized annually in the Unified Planning Work Program (UPWP). The amount of Metropolitan Planning Organization (“MPO”) planning funds is based on the population in the urbanized area. Although many of the planning activities focus on tasks within the urbanized boundary, there will be consideration of the planning needs of member jurisdictions outside the urbanized boundary. Planning activities will be undertaken within the entire planning area. Specific planning projects will be prioritized based on need, development pressures, transportation issues, etc. MPO staff shall assist MPO member jurisdictions outside the urbanized area with potential funding source information for transportation planning project needs that are not included in the MPOs UPWP.

#### Section 5.01: Funding

- A. The MPO shall have its administrative costs funded by dues paid by political subdivision members on an annual basis in the amount of forty-one cents per capita population based on the latest U.S. Census Estimates and payable July 31<sup>st</sup> of each year. Dues shall be prorated based on the number of months of a year a jurisdiction is a member the first year of membership. Thereafter the dues shall be owed for a full twelve months. Dues shall be set, either decreased or increased, each year by April 30<sup>th</sup>, such that there are sufficient funds to cover all expenses including salaries of employees, benefits, if any, and reimbursement to employees for travel and work expenses. Expenses may also include office space, equipment and any other lawful expense to be incurred in furtherance of the objectives of the Organization. Any change in the per capita rate from previous year's dues shall require a seventy-five percent affirmative vote of the membership on the Board representing dues paying members. If no change is made in the amount of dues owing, the dues from the previous year shall be the dues for the following year.
- B. The annual budget of the organization shall be adopted by April 30<sup>th</sup> of each year. In the event a budget is not adopted by April 30<sup>th</sup>, the prior year's budget shall continue in full force and effect until another budget is adopted by a majority of the membership of the Board representing dues paying members.

This certification is necessary under Section 134, Chapter I, Title 23, United States Code which provides that no project in an urban area of

over 50,000 population shall be approved unless it is based on a 3C transportation planning process.

- B. The purpose of the Board of Directors will be to serve as the designated Metropolitan Planning Organization (“MPO”) for the approved Transportation Planning Area (TPA), in order to provide official decision making responsibility for the Ozarks Transportation Organization. The coordination of elected officials and policy makers at this decision making level allows for a broad geographical impact on transportation planning decisions.

This funding formula would be used to distribute funds to jurisdictions within the MPO. MoDOT Small Urban funding received by a jurisdiction shall count towards the STP-Urban suballocation a jurisdiction may receive. A jurisdiction may choose to suballocate part of their allocated STP funds to another MPO jurisdiction on a project that lies outside their boundaries but it is at their discretion. This type of deviation from the Funding Formula shall also require a 75% vote of the MPO jurisdictions.
